

31<sup>st</sup> of July 2016 | Beyond the Harbour – What does that mean for us?

Speaker: Kizzia Judd

**These small group questions are designed to be worked-through after listening to Sunday's message. If you missed Sunday's message the questions will still allow you to contribute and/or you can listen to the message on our website (messages are usually uploaded on a Tuesday):**

**Question 1:** Were there any opportunities during the week for you to go *beyond the harbour*? Share what happened (even if you decided not to do anything).

**Question 2:** If you were to think of your life at the present – where do you think you're situated? (for example – in the harbour, beyond the harbour, somewhere in between). Asked another way, what are the areas in your life where feel out of your comfort zone?

**Share the reading of Exodus 4:1-17**

**Question 3:** As a group discuss what stands out to you in this reading regarding going *beyond the harbour*.

**Question 4:** Moses had numerous excuses for why he wasn't the man to lead God's people out of Egypt. Can you think of a time in your life when you had excuses for **not** doing what God wanted you to do? Share about that time.

**Question 5:** Kizzia said on Sunday that there will be times when going beyond the harbour will be really, really hard. Do you agree? Why/Why not?

**Question 6:** Does failure mean we made the wrong decision? Does it mean that God either wasn't with us or didn't bless our endeavours? Justify your answer.

Allow some space to think about what going *beyond the harbour* means for us as Mayfield Church of Christ. Discuss any ideas that you have no matter how ridiculous they may seem. Is there an idea/s that you feel strongly about? What are you doing to do about it?

**Pray for one another.**
